Email ID :- aasraproject21@gmail.com

We deem it our privilege to introduce ourselves as Aasra Projects Pvt. Ltd. with a track record of having handled work worth crores of rupees in private organization.

We have successfully executed many prestigious projects from concepts to commissioning. We have a record of having acquired sufficient experience and skill to manage and handle with projects.

Our company comprises of a team of experienced and qualified Engineers will verse in execution of civil work as a turnkey project

Our company comprises of a team of experienced and qualified Engineers will verse in execution of civil work as a turnkey project.

We have an inexhaustible list of heavy machineries capable of executing huge volume of work within time of the contract and as per specified specifications.

## MAIN OBJECT OF THE COMPANIES

The main object of the companies include interlaid

1. To carry on and undertake the business of Civil Construction like Development of Land, Construction of Multistoried Buildings (Residential Towers/ Industrial buildings, Malls, Schools & Allied civil work ).
2. To carry on the business of improvement & strengthening Roads with quality standards & time bond projects.

## SPECIALIZATION OF THE COMPANY

The Companies has specialization in the following areas:

1. Development and construction of multistoried, Building (Residential towers/ Malls, school, Industrial) & Allied civil work.
2. Construction of Multy storied building upto 25 storied group housing towers.
3. Construction of School Building & commercial building.
4. Concrete and all kinds of civil works.

## CONCLUSION

Our Companies story are one of the strength build on the traditions of strong foundation, developed on a frame work of planned growth, keeping place and in tune with the changing trends in the company.

The companies are inspired from the concept of professional ethics, quality standards, time frame board mindedness and framed with the concept of

- Team work sprit
- Cost minimization
- Standard and quality contracts
- Efficiency with timely completion
- Optimum Utilization of man, machine & Power.

Professionally managed quality construction work within time frame is the role motto. The company possesses enough financial back ground. Seasonal technical staff and labour, quality machines and professional expertise to execute all types of civil construction work even tedious jobs.

While Directors would formulate and monitor overall policies, their efficient Implementation will be entrusted. To respective product operations constant interaction between Directors and consulting engineer will bring about managerial autonomy with responsibility to succeed in the emerging environment of the 21st Century and in the era of liberalized economic policies, industries/ business entrepreneur will have to undergo expansion and modernization and above all become competitive.

With this is mind Aasra Projects Pvt. Ltd. always look forward the socio-economic object in its mind in planning and for utilization.
